

Ultimate Tic-Tac-Toe

Created by Tyler Mathena
For 2 Players

Materials:

- Pen/Paper
- Marker/Whiteboard

How to Play:

1. Draw a large tic tac toe board.
2. Inside each square, draw another tic tac toe board.
3. The first player chooses any square in any smaller board to put their shape in.
4. The second player chooses a square in the smaller board inside the larger square that corresponds to the square the first player went in.
5. When a player has three in a row in a small board, they can use that square
 - a. Both players can use the same square if they both have 3 in a row.
6. The game is over when a player has three squares in a row on the large board.
